BLUE CODE AND PRESENCE BUTTON

Code : **9410055**

Model : **LLC-143**

Description
Room peripheral with two buttons: a doctor call button with a blue LED and a nurse presence button with a green LED. This peripheral allows patients to call the doctor with the blue button. Once initiated the call, the blue LED helps to locate the origin of the call easily. The green button is used to either indicate that the nurse is present or to cancel the call. Wall or surface mount.
