

# 912 TV-SAT AND MODULATOR EQUIPMENT

## DVB-S/S2/T/T2 TO T/C TRANSM CI HIMALAYA

Code : **9120252**

Model : **TM-111**

himalaya transmodulator of DVB-S/S2 satellite digital television services or DVB-T/T2 terrestrial digital television to DVB-T or DVB-C. Each module selects the services of a DVB-S/S2 satellite transponder or a DVB-T/T2 terrestrial channel and includes them in a DVB-T or DVB-C channel.

Equipped with a Common Interface slot for insertion of the CAM and the subscriber's card for encrypted services. Can be configured using a web browser in a computer connected via ethernet cable.
