WC PULLCORD WITH CALL AND CANCELLATION

Code : **9410361**

Model : **LLC-824**

Description

Bathroom pull-cord touch version with an antibacterial coating. It is formed by a two meters cord, two push buttons and a red reassurance LED indicator. It allows to launch an emergency call by pulling the pull-cord or pressing the red call button. Once the call is initiated, the red LED indicator allows an easy identification of the call status. The call can be cancelled pressing the cancel button. The LLC-821 has an anti-strangle mechanism that allows the separation of the pull-cord into two parts to avoid accidents. The installation can be embedded or superficial.
