

# 941 SENSORS AND ACTUATORS

AUDIO COM. UNI. BUS PULL CORD CANC.

Code : **9415032**

Model : **MCA-921**

The two-way communication module provides excellent voice communication in those places where it is needed and allows calls from bathrooms by pulling the red cord or the red button and canceling it using the red button with a cross.

The MCA-xxx modules can be installed at multiple points and controlled by a single control terminal (CHC-401), which allows sensitive material to be moved away from the communicator installation point and to obtain a high degree of protection and security.

Alcad's communication module can be combined with other ACCURO or LIVERO elements to offer a complete ecosystem.

CÓDIGO	9415032
MODELO	MCA-921
DIMENSIONES	75 x 120 x 45 mm
ALIMENTACION	24VDC
ACABADO	ABS
PULSADOR	Rojo: Llamada Rojo con un aspa: cancelación de llamada
CORDEL	Cordel rojo anti estrangulamiento para llamada.
TEMPERATURA DE FUNCIONAMIENTO	De 5°C a 55°C
GRADO DE PROTECCION	IP55
PRESION DE SONIDO	85dB
ALTAVOZ	8 ohm, 1,5W
SIPV2	Session Initiation Protocol Version 2
CÓDEC	G.711 (Ley A) (64 Kbps)
CONECTOR	RJ-45 /RS-485
