979 HOME AUTOMATION

IPAL WIRELESS PLUG TYPE F

Code : **9790004**

Model : **MEC-300**

Smart plug type F, intelligent programmable.

Its great functionalities are not at odds with its sophistication: the range of digital home devices compatible with the IPAL system makes it possible to quickly and easily convert any home into a modern and elegant digital home: lighting control mechanisms, curtains and blinds; smoke or motion sensors; smart plugs and save energy. Its glass-like finish, in white, underlines a discreet design that combines with any decoration. The capacitive keyboard, by reducing the possibility of mechanical failure, prolongs its useful life while facilitating its cleaning.

CÓDIGO-CODE-CODE		9790004
MODELO-MODEL-MODÈLE		MEC-300
Función Function Fonction		Enchufe Plug Fiche
Materiales Materials Matériau		ABS
Color Colour Couleur		Blanco White Blanc
Nº pulsadores Nº buttons Nº boutons poussoirs		1
Tipo de pulsadores Type of buttons Type de boutons poussoirs		Mecánico Push buttons Mécanique
Comunicación Communication Communication	MHz	RF Banda 868 RF Band 868 RF Bande 868
Alimentación Power supply Alimentation	VAC	220 50Hz
Nº de circuitos No. of circuits Nº de circuits		1
Tipo de circuitos Type of circuits Type de circuits		ON-OFF
Potencia por circuito Power per circuit Puissance par circuit	W	3000
Montaje Installation type Montage		Empotrado en caja de mecanismos estándar Flush mounted in standard mechanism box Encastré dans un boîtier de mécanisme standard
Temperatura de funcionamiento Temperature range Température de fonctionnement	ºC	0 ,,, +55
