IBLACK SPEAKER MODULE 14 LANGUAGES

Code : **9770120**

Model : **RVE-035**

Description

Module with loudspeaker and microphone for entrance panel. It has a voice synthesizer in 14 languages for the "Open door" message. It has an 8 ohm speaker with plastic membrane to prevent deterioration over time in outdoor conditions. (Compatible with GRF-302 and GRF-304 version 10F or higher, it is essential to raise switch n°4 of the GRF to activate the spoken message)
