## 1ST & 2ND PRESENCE BUTTON

Code : **9410371**

Model : **LLC-931**

Push button base, touch version, with antibacterial coating, a call button, present/away button and a green red led. This button allows to call to the nurse and indicate the start and/or end of the presence in the room by activating the present/away button, while the green led allows to identify the room.
Wall or surface mount.
