

# 967 TOP MODULAR ENTRANCE PANELS

## MODULE 2-WIRE PUSH BUT.AUDIO UNIT.L201

Code : **9670182**

Model : **MAN-420**

### Description

Upper module to be used in push-buttons L201 entrance panels. Simple module, the GRF-302 audio unit and the RVE-024 speaker and microphone module are included.

### 9610044 GRF-302 Description

Audio unit module 2-wire system. In this system, the audio unit is a separate module from the loudspeaker and the microphone. This allows locating the device in the bottom of the flush-mounted box of the entrance panel, thus protecting the most important electronics of the system. To be used in building (Interior) entrance panels.

### 9770065 RVE-024 Description

Module with loudspeaker and microphone for entrance panel. It has an 8 ohm speaker with plastic membrane to prevent deterioration over time in outdoor conditions. Also, the robustness of the electret-type microphone against humidity and heat make this module a virtually indestructible assembly.

### Entrance Panel

Available in modular format, with upper and lower modules. The upper module can be simple, double or triple. The lower module is available with simple or double push-buttons.
