SPLITTER 4 OUTPUTS. 2-WIRE

Code : **9730071**

Model : **DIV-154**

Description

Accessorie for Door Entry System installations. Splitter for 2-wire system. 4 outputs. Makes it possible to perform installations where it is necessary to distribute the signal of the two-wire system to different branch-offs. Up to 4 outputs or separate branch-offs. Power is supplied directly through the BUS, necessitating no additional wires.
